

Looe OCS 90th Celebration

We had as our theme “90 years ago” and members were welcomed with recorded hits from 1927. After the AGM, several members gave short talks on aspects of life in the “Roaring Twenties”. The Mayor of Looe, Cllr Armand Toms, presented our President, Ken Terry, with a framed certificate marking our 90th anniversary, and stayed to cut the cake. The afternoon finished with a 1920’s-style afternoon tea.

"Iris Ward demonstrates 1920s fashions, 'assisted' by husband Jim" (he kept pressing the button to change slides, so always showed the wrong one for what she was saying, much to the enjoyment of everyone, including Iris, who saw the funny side of it)

Musicians Roger Bennett (guitar) and Graham Barber (ukulele), played "Side by side" and "Ain't She Sweet". They look very solemn, I think this must have been as they prepared to start.

The group shows some of the members gathering round the mayor as he prepares to cut the cake: they are (L to R) Judy, Viv, Sandra, Derek, Viv (Treasurer), Roger (Deputy President and Recorder), me (secretary), the mayor, Ken (President), Kate, Jim, Iris, Graham, Hazel, Barbara, David.
