

## The Monument Watch team

The Monument Watch (MW) team, part of the Cornwall Archaeological Society, are looking for area reps for the following parishes: Chasewater, Gwenapp Gwinear-Gwithian, Hayle, St Erth, St Hilary, St Michaels Mount and Sithney. The team assists Historic England and Cornwall Council archaeologists in monitoring and recording the state of scheduled monuments and other sites of historic interest in Cornwall. If you already enjoy taking countryside walks on a regular basis and have some time to check out specific monuments on your route then the MW team would be glad to have you on board. Please take a look at their web site for further information: <http://cornisharchaeology.org.uk/about-us/the-society/>

If this is of interest to you, or you know of anyone else that might be interested, please contact our Learning Officer and MW rep Iain Rowe for further details about the project: [irowe1@cornwall.gov.uk](mailto:irowe1@cornwall.gov.uk)

Best wishes,

**Claire Wardle**
