

## Working at St Piran's Oratory

Today (5<sup>th</sup> May 2017) a group of 8 people from Perranzabuloe OCS went up to Perran Sands and cleared the growth around the stones marking the way to St Piran's Oratory and the medieval church of St Piran (known as the second church).

The weather was windy but dry and we enjoyed walking along with cowslips on either side, martins and a couple of swifts overhead. It was a very congenial two hours.

Attached are photos of the event taken by me so I'm not in them!

Best wishes
