

## News from Lowender Peran

Like many other festivals and events, we have been carefully monitoring what impact the Covid-19 pandemic will have on how Lowender Peran can operate in 2020.

We hope that, if safe, social distancing rules will have relaxed by later this year. However, as we have to plan the festival many weeks and months in advance - in the current climate of unknowns and with our visitors' safety paramount - we've taken the decision to bring you 'Lowender Peran Warlinen / Lowender Peran Online' in 2020. We will be returning to the Hotel Bristol in Newquay as usual in 2021.

We look forward to exploring exciting opportunities a digital festival brings to connecting us even more widely on a global level and would love your thoughts on what you would like to see in an online programme. We will be announcing our 2020 line up in the early autumn.

We hope you are safe and well and look forward to the time we can all be together again.
